LAND CLAIMS

COMPREHENSIVE

TREATIES AND

Who has the legal right to own or use the lands and resources?

- Sahtu Dene and Métis Comprehensive Land Claim Agreement - 1993
- Selkirk First Nation Self Government Agreement - 1997
- Tr’ondëk Hwëch’in Self-Government Agreement - 1997
- Tr’ondëk Hwëch’in Final Agreement - 2002

Noun: A formally concluded and ratified agreement between two or more nations or groups of nations that establishes the legal framework for the settlement of land and resource claims.

A Final Agreement is the outcome of successful land claim negotiations that gives effect to the Final Agreement and renders it valid.

Settlement legislation that gives effect to the Final Agreement and settlements includes: the Final Agreement, the Implementation Plan (or Plans), and the First Nation’s Settlement Land Trust Agreement.

GLOSSARY

TREATY

A treaty is an agreement in written form that establishes the legal framework for the settlement of land and resource claims.

The Western Arctic Claim The Inuvialuit Final Agreement 1993

Who has the legal right to own or use the lands and resources in areas under claim?
