WHO WE ARE

Experiences Canada is a national registered charity helping young Canadians to explore their country in ways they never may have imagined through reciprocal exchanges, forums, and other experiential learning opportunities.

We offer transformative and accessible learning opportunities fostering fun, safe, and memorable experiences that deepen young people's connection to their community, enrich personal relationships, build confidence, and gain new skills and knowledge.

OVER
85
YEARS

WE OPEN YOUNG PEOPLES' MINDS AND INVOLVE THEM IN THE LARGER WORLD

OUR PROGRAMS

YOUTH EXCHANGES

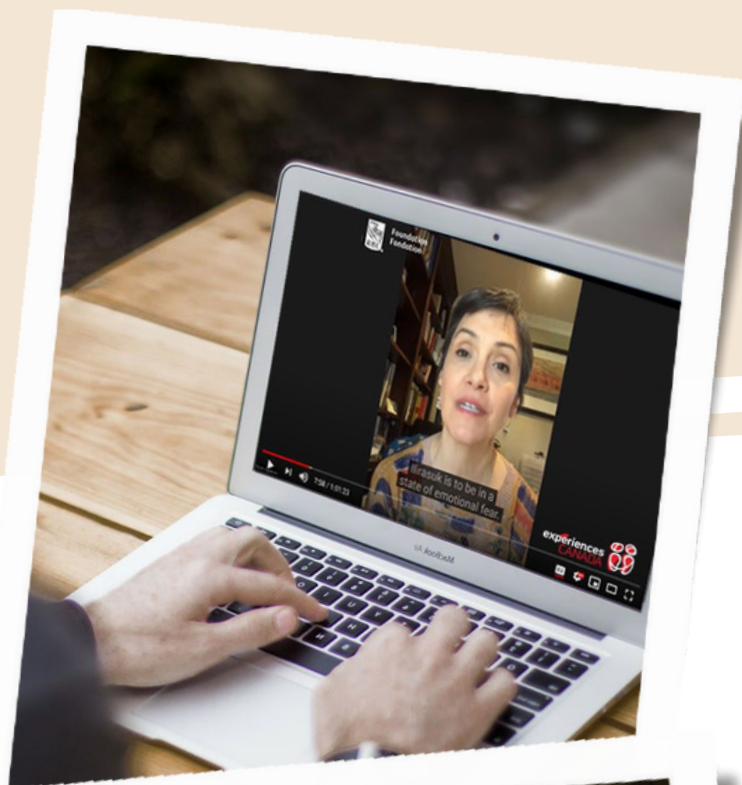

Life-changing experiences enabling youth to build personal skills and self-confidence, form new friendships, and promote engagement within their communities.

YOUTH FORUMS

Youth leadership development offering youth opportunities to empower each other to be more involved in current affairs.

LEARNING RESOURCES

Bilingual webinars, educational resources, and learning tools on topics relevant to today's youth including: Reconciliation, Anti-Racism, and Career Planning.

YOUTH EXCHANGES

SEE MORE. BE MORE.

Our reciprocal exchanges offer life-changing experiences, enabling youth to build self-confidence; develop skills; form new friendships; and inspire them to become more actively engaged in their communities.

Themed exchanges including sports, music, language, history & more

Open to groups of youth aged 12-17 and their chaperones

We'll match you with a compatible group or you can request one yourself

All group travel costs covered

TRAVEL COVERED BY US!

Applications are now year round, but we encourage you to apply as soon as possible for a greater chance of being matched with your ideal exchange group this winter!

CANADA IN THE CLASSROOM

PILOT PROJECT

Experiences Canada is proud to be partnering with Meta and Canadian Geographic in launching our first virtual reality pilot project!

**Only available in Ottawa, ON*

bit.ly/vrpilot

HOW DOES IT WORK?

Through the use of a gymnasium sized map of Canada and 30 Meta Quest 2 virtual reality headsets, students will be led by Experiences Canada staff to “travel” to various Canadian landmarks and locations.

PROJECT GOALS

Deliver Experiences

Provide youth with a realistic and interactive experience to explore historical and cultural landmarks across Canada.

Educate Youth

Educate young Canadians on the vastness and rich cultural diversity Canada has to offer.

Promote Experiential Learning

This interactive experience provides youth with an experiential way to learn, while increasing youth engagement and desire for learning.

LEARNING RESOURCES

Our online learning resources are designed to support secondary school educators and have been developed in-line with curricula from grades 7-12. Easily accessible tools are provided to enhance students' understanding of diverse perspectives and cultures while developing critical thinking skills and an appreciation for social responsibility.

ONLINE LEARNING MODULES

Our Career Choices program provides online resources to support youth in planning for post-secondary. The goal is to help teachers and anyone working with youth navigate and support them in discovering the many possibilities after high school, sort through online resources, and build their awareness and confidence in their skills.

DISCOVER THE PATHWAY TO FINANCIAL FREEDOM AND SUCCESS!

COMING SOON THIS FALL
NOVEMBER 2023

Money 101 is a program designed to equip young Canadians with vital skills in financial management through a series of webinars and learning resources exploring key topics.

Our aim is to provide youth with the necessary financial knowledge to make informed decisions, establish healthy financial habits, and work towards their long-term goals.
